## Local CCHD Grant Workshop

Learn what it takes to successfully complete an application for a local **Catholic Campaign for Human Development** grant. Monies fund projects designed and run by groups or organizations of vulnerable low-income people who want to take control of their lives and change the conditions that cause poverty.

The workshop will review the philosophy of CCHD and grant guidelines, and examine a previous local grant application form.

**Space is limited and registration is required.** A light lunch will be provided. Both sites are handicap accessible. Questions?
